[City, ST, Zip]

Dear [Variable Field],

I want to take this opportunity to thank you for being a loyal customer and share some important information with you about Foraker Oil.

After many years taking care of your heating and home comfort needs, I have decided to retire. As I leave the oil business, the Foraker Oil team has spent much consideration on how best to continue taking care of our customers. I am excited to announce that Foraker Oil has decided to join another well established and highly regarded, full-service home heating oil company — **Carl King Energy Services**.

For years, Carl King Energy Services has provided your Delaware neighbors with a full range of heating oil, propane, gasoline deliveries, tank protection plans, air conditioning and other home comfort services, backed by support that they can rely on 24/7, in any weather. With a local customer service and support team, it is a company that shares my philosophy and values. I believe that Carl King Energy Services can support your home, area and particular comfort needs better than any other heating or home service provider.

How will this change affect you?

If you are an automatic delivery customer, you do not need to call — your fuel delivery cycle will remain unchanged.

If you are a "will call" customer, simply continue to call **302.659.1954** to order your heating oil from Carl King Energy Services.

You can also look forward to taking advantage of new payment options, including online payments, as well as heating and air conditioning service plan options, propane, generators, air quality services and more!

You will be receiving a letter soon with your new account number along with information on our new payment platform.

It has been my privilege and sincerest pleasure having you as a customer for so many years to take care of you and your family's heating and home comfort services. Thank you!

If you have any questions about these changes, please call **302.659.1954** and your local Carl King Energy Services team will be happy to help you.

Sincerely,

Todd Foraker

Dear [Variable Field],

I want to take this opportunity to thank you for being a loyal customer and share some important information with you about Foraker Oil.

After many years taking care of your heating and home comfort needs, I have decided to retire. As I leave the oil business, the Foraker Oil team has spent much consideration on how best to continue taking care of our customers. I am excited to announce that Foraker Oil has decided to join another well established and highly regarded, full-service home heating oil company — **Petro Home Services**.

For years, Petro has provided your Delaware neighbors with a full range of heating oil, propane, chimney services, air conditioning and other home comfort services, backed by support that they can rely on 24/7, in any weather. With a local customer service and support team, it is a company that shares my philosophy and values. I believe that Petro can support your home, area and particular comfort needs better than any other heating or home service provider.

How will this change affect you?

If you are an automatic delivery customer, you do not need to call — your fuel delivery cycle will remain unchanged.

If you are a “will call” customer, simply continue to call **302.834.7595** to order your heating oil from Petro.

You can also look forward to taking advantage of new payment options, including online payments, as well as heating and air conditioning service plan options, propane, generators, air quality services and more!

You will be receiving a letter soon with your new account number along with information on our new payment platform.

It has been my privilege and sincerest pleasure having you as a customer for so many years to take care of you and your family's heating and home comfort services. Thank you!

If you have any questions about these changes, please call **302.834.7595** and your local Petro team will be happy to help you.

Sincerely,

Todd Foraker
